A regular ITAKHA feature

Ever since the doors of Morristown **EAST** were first opened in 1892, thousands of students in fear, excitement, and anticipation have met others very much like themselves. These doors opened a new understanding of what others think, and how others feel. These thousands have learned to cope with loneliness, frustration, failure and certainly even success.

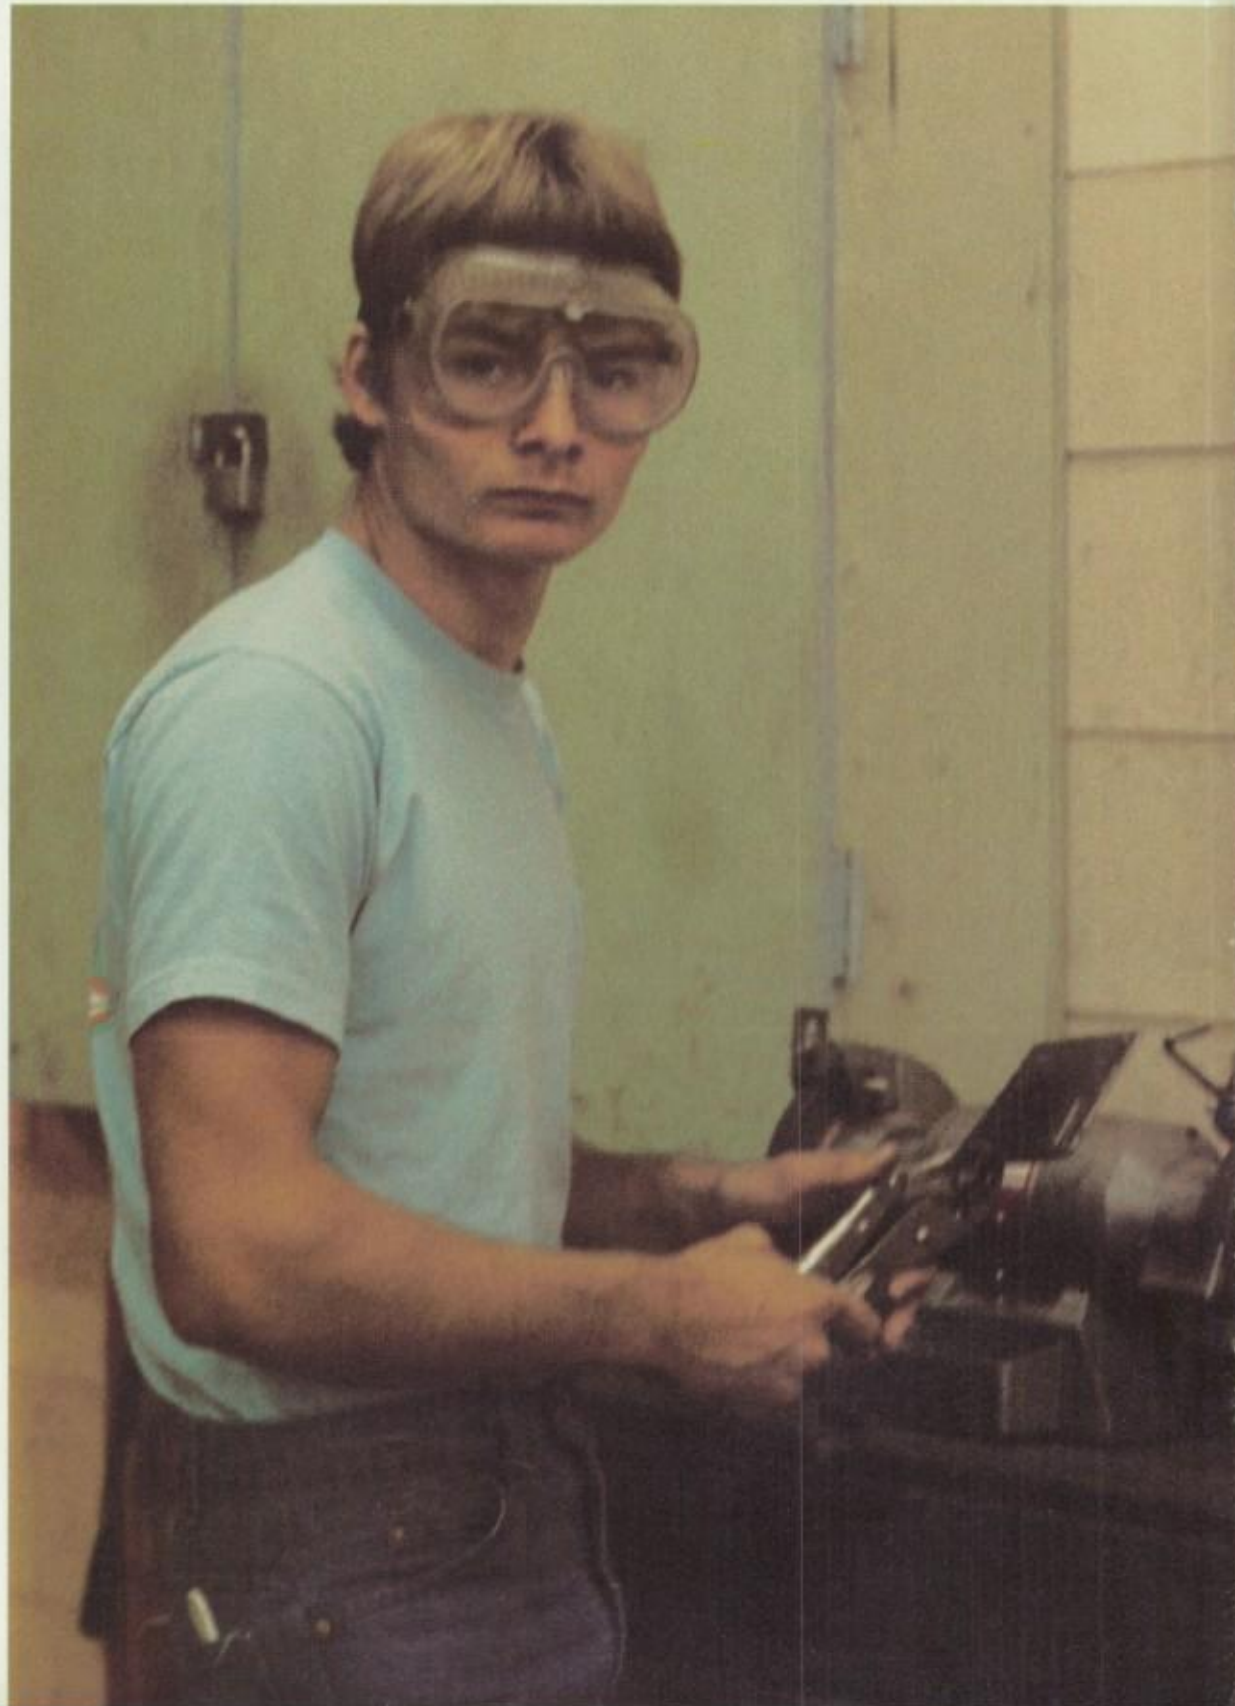

The past year has been no different. It was at **EAST** that one could easily find a laugh, a nod, and a smile, all of which contributed to the numerous congenial friendships of nearly 1400 Hurricanes and Hurricanettes.

All of us came here for many different needs. Some arrived with the hopes of participating in music, athletics, dramatics, or writing. Others came to prepare for immediate jobs. College-bound students considered classes merely marking time, while still others scribbled their sentiments on washroom walls. We sewed, shampooed, welded and conversed; and although our subjects were as diverse as ourselves, our very differences are what made us **EAST**.

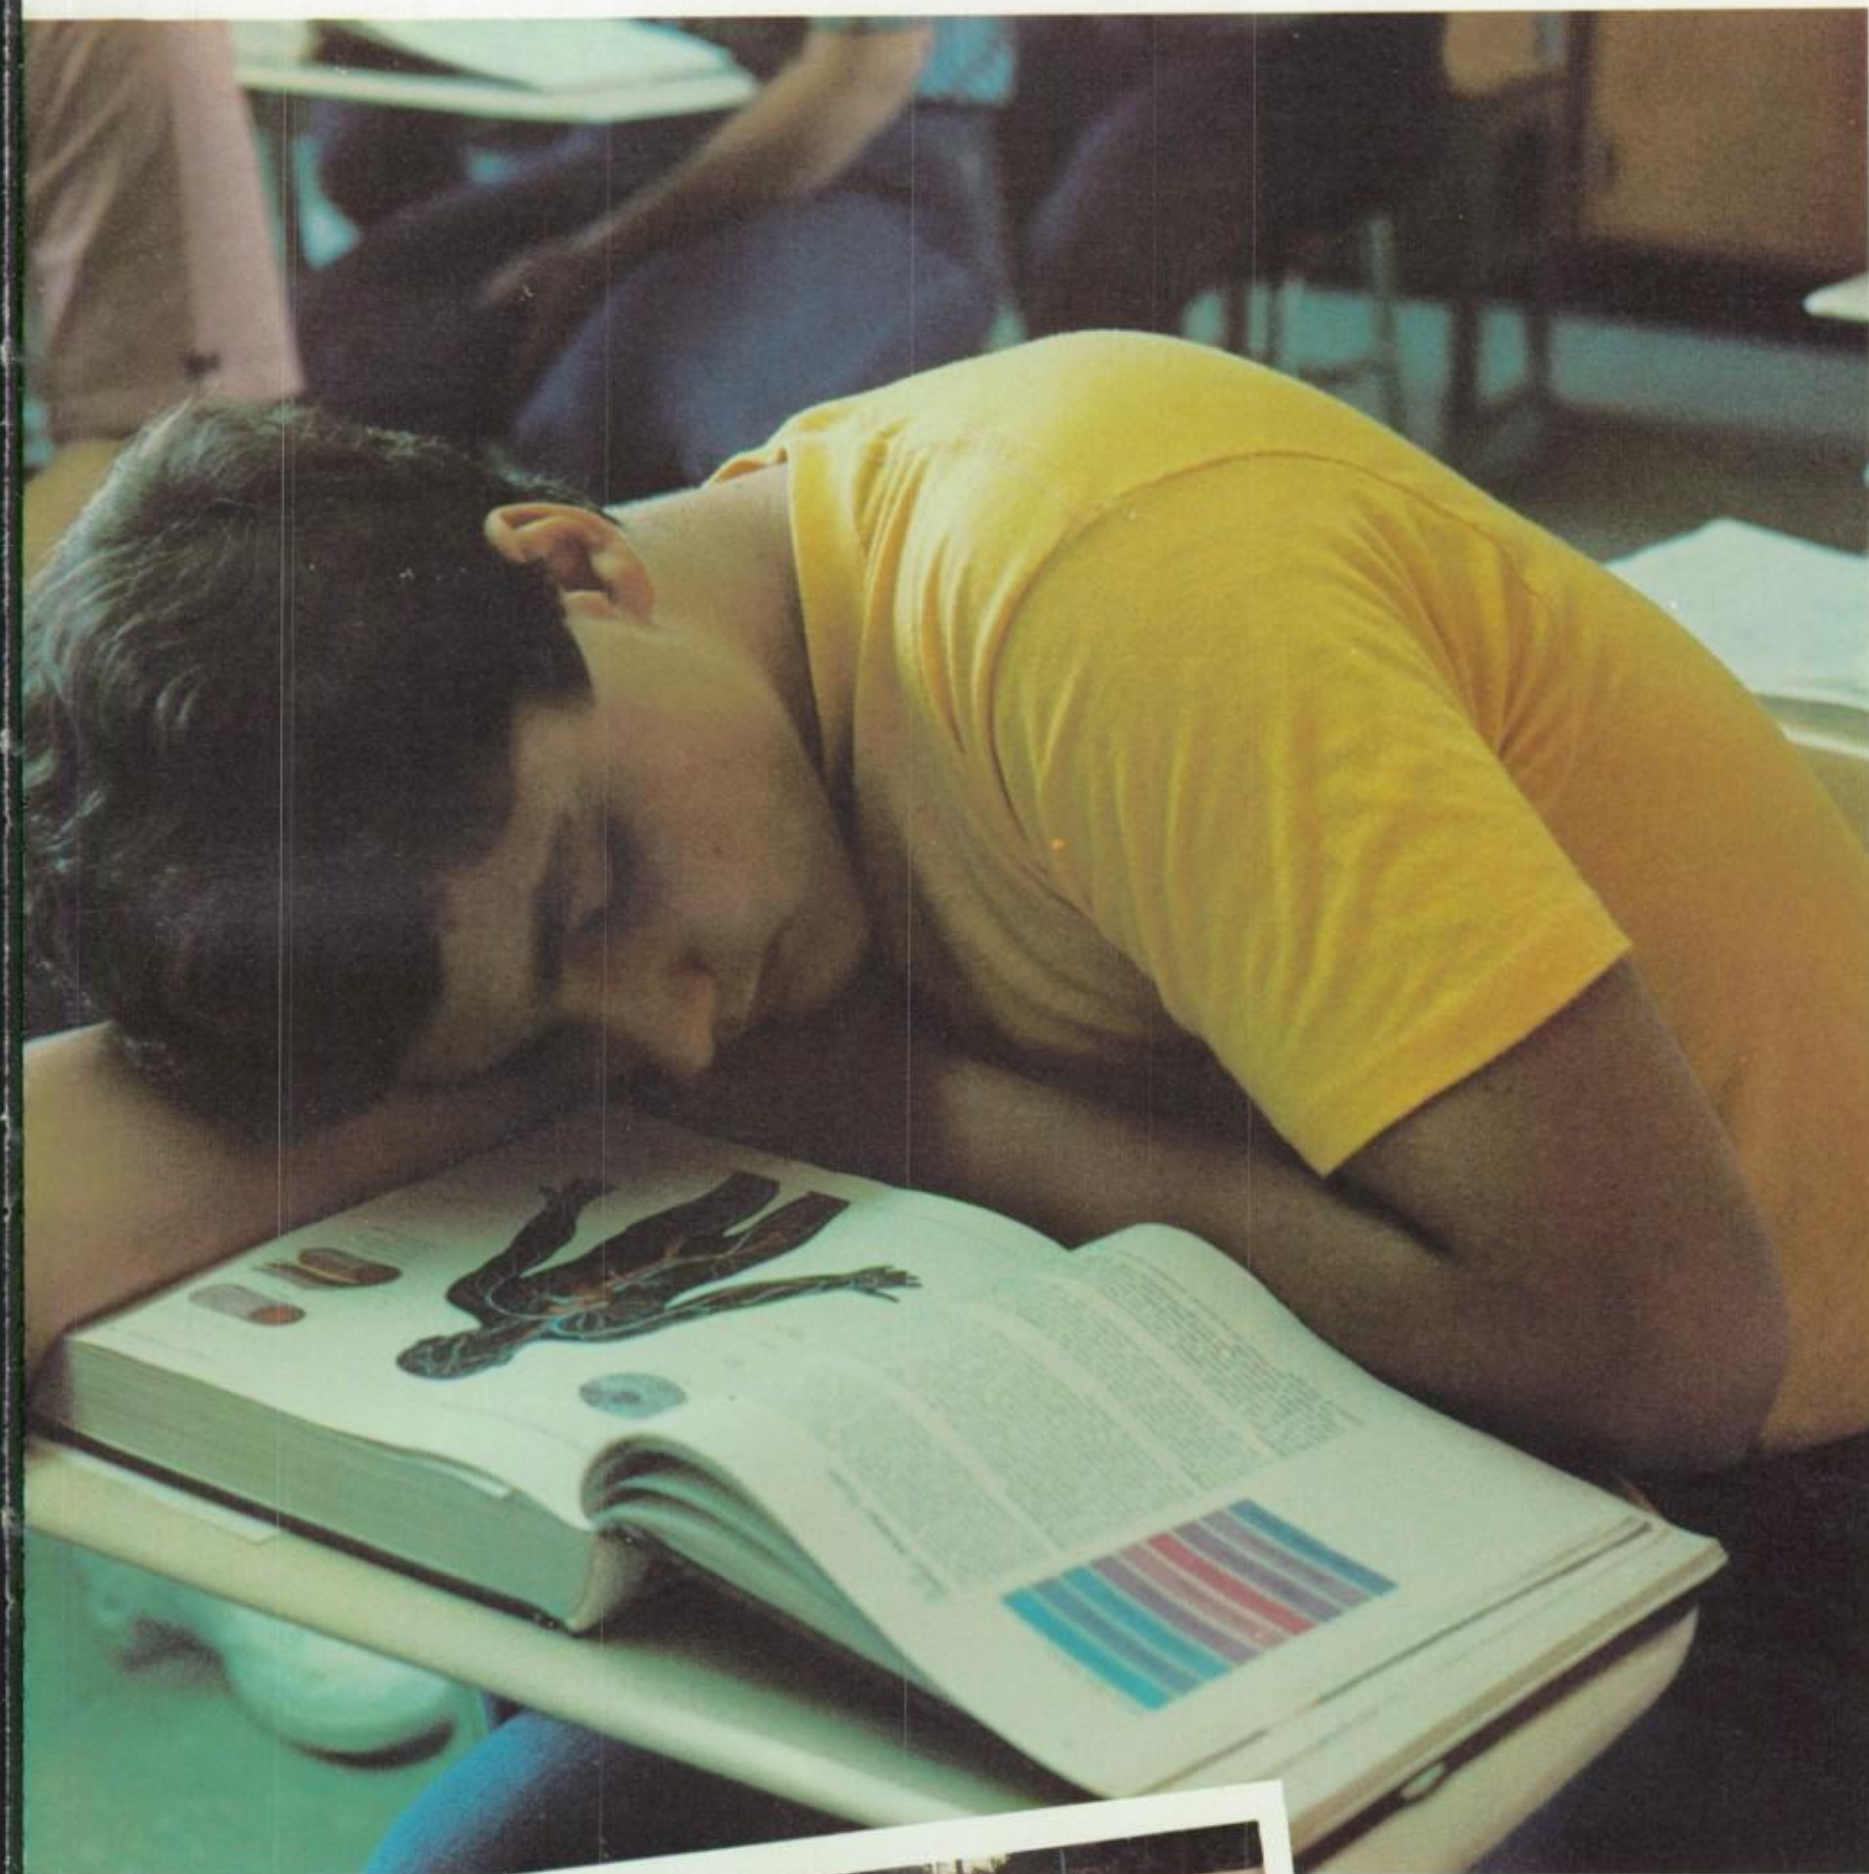

Opposite Page Top Left: Missy Brady. Opposite Page Top Right: Kim J. Fox practices her skills on a classmate. Top: Karen Parvin gets a new perm. Center: Randy Sauceman. Middle Right: The unknown parking offender. Bottom Right: Richard Drinnon converses with a friend.

Sometimes, it all seemed too much for us. We struggled and strove to achieve that most desired goal — to graduate. There were many nights in which we stayed up late either to baffle our minds with Algebra or Chemistry, to finish our research papers, or to cram all that we could for those big tests — losing sleep in the process only to regain it in class the following day. Although many of us worked part-time, we never gave in nor complained; for we were proud to be considered a part of **EAST**.

Opposite Page Left: Jamie Tunnell. Opposite Page Right: Randy Pankiewicz. Top: Zzzzzzz. Left: Tesha Johnson flashes more than just a "Pepsodent Smile." Bottom Right Top: Field Show. Bottom Right Bottom: The 1983-84 Varsity Cheerleaders.

Together here, we all lived and grew — learning responsibility, making commitments, and sharing those special moments with friends both old and new. In our jeans, Mother Fletchers and Panama Jack shirts, carrying our Adidas bags, we may have looked like all other East Tennessee high school students, but in our very ordinariness, we were unique. We were the freshmen, sophomores, juniors and seniors together for the first and only time ever in this particular arrangement. We were **EAST** in 1984.

Top: Paula Wells and Lesa Miser. Bottom Left: Jennifer Green displays a little senior spirit. Bottom Right: Melissa Moore is undoubtedly overwhelmed with new new hat.

VOCATIONAL VENTURES

Occupational training gave us a variety of experiences. We repaired automobile engines, did auto body work, and learned to paint. Word processors and electronic wizardry helped to prepare us for jobs in a changing work force. David Templin and Bobby Tharp built walls, Robbie Williams did metal work, Allen Burch fine-tuned his car, and Kim Spoone typed. Ronnie Bull installed a new radio in his car. Ernest Atkins sprayed old lockers while he practiced his skills.

HOLD ON TO THE MOMENT

Single file and yet together
We have shared our greatest days.
And we carry common memories
In different ways.
Though we don't know where we're going,
We will cherish where we've been.

I want to cry.
I want to shout . . .
Want to let this feeling out.

Hold on to the moment.
Let the feelings show.
Hold on to the moment.
Never let it go.

I can picture us together
With my arms around my friends.
Just let me hold on to this moment
Before it ends.
There was laughter. There were tears.
Through the dozen golden years.

UP-FRONT

The door is open and the freshman enters . . . He walks into a world of designs . . . a world that he will eventually make coherent and orderly . . . He leaves a shell called the past . . . and becomes a part of the present . . . The present slides inexorably toward the past and the future rises in the new design of things to come . . .

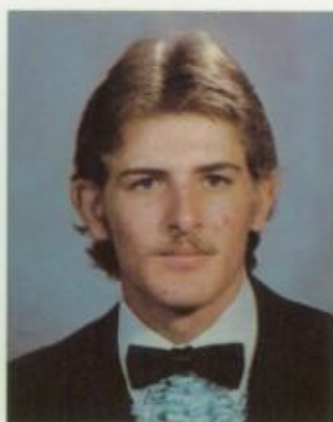

So it was with the Class of 1984. As we walked into a world of reality, history was frozen here. We continued to strive toward maturity and complete independence while retaining the idealistic dreams of young hearts with high hopes. The silent classrooms and empty corridors echoed the chant of days gone by, as we stepped across the threshold for the last time into the realm of the unknown. East will never again have a Class of '84, just as we seniors will never again have East.

a n d P.E. HEALTH

On first observation, this view of Coaches Canter, Jones, Hux, and Price appears falsely to be a waste of teachers' salaries; however upon further examination, these coaches offer an alternative, possibly a solution, to the Physical Education and Health classes at East: relaxation and the all purpose remedy — happy syrup?!?

AS A RESULT: Notice the carefree and lighthearted expression on the faces of the coaches formerly mentioned as opposed to this obvious, more typical overworked and underpaid specimen.

In our continuing quest for facts to file forever, ITAKHA has arrived at some astonishing statistical tidbits. Our rather informal survey has revealed these bits of teacher trivia. Our teachers have a total of over 850 years experience. If these years had stretched end-to-end, here's what would have been happening in 1134 (850 years ago):

The French were building Chartres Cathedral

The Incas were living in Peru

The Chinese had invented moveable type.

Our teachers' years at East alone total 542, taking us back to 1442. In that year

Joan of Arc had recently been burned at the stake

Gutenberg was working on his printing press.

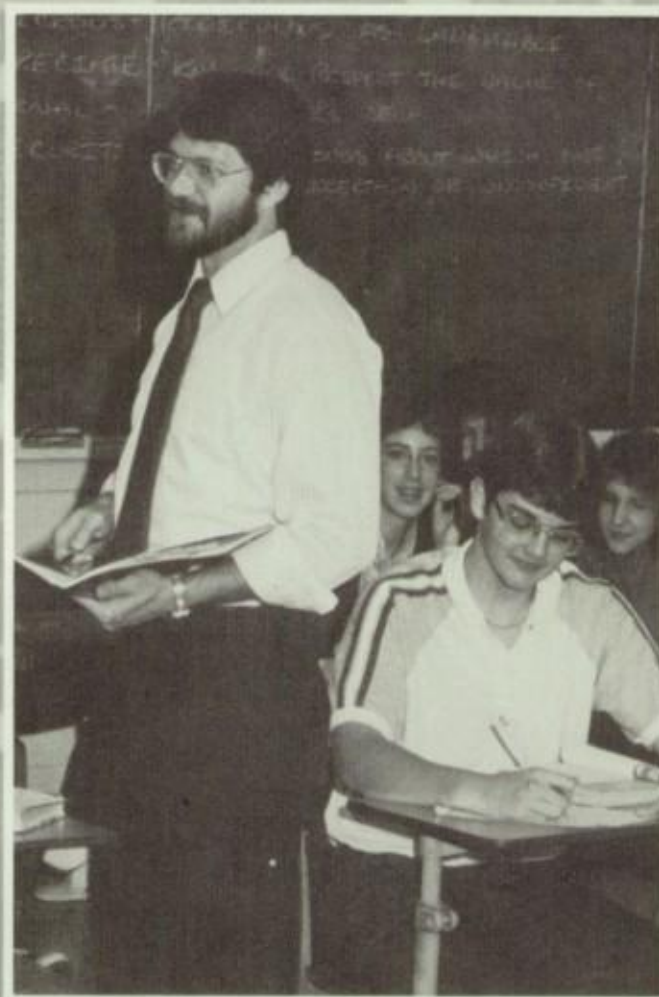

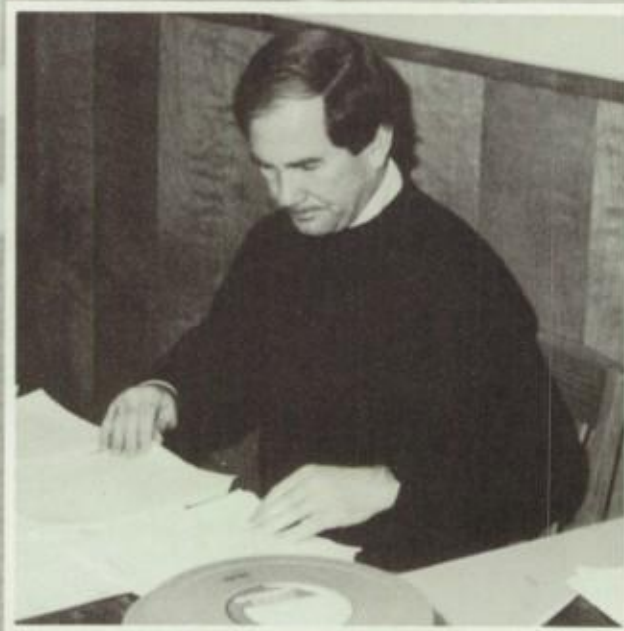

But if you think they've taught a long time, you'll really be amazed at how long our teachers themselves went to school. Together our teachers were STUDENTS for 1014 years!!! End-to-end, that sum would return us to the year 970, when

The Sung Dynasty ruled China

Cairo, Egypt was founded

The Vikings were colonizing Greenland.

Did they really have to go to school so long? No. Actually, 30 of our teachers hold advanced degrees requiring several years of study beyond the requirements. We do not take the opportunity to say thank you often enough, so this is our chance to say thanks to our faculty who have invested so greatly their time and their money for our benefit. ITAKHA thanks you for your devotion to your self-improvement and thus to ours.

Thanks

Hurricanes, or Merely Tropical Depressions?

The Storm just couldn't get the lightning to flash, but the thunder boomed once.

When the 1983 football schedule closed with a heart-breaking fall to perennial rival Morristown West, two numbers 3, and 7, were conspicuous in recollections of the season. When multiplied, they could possibly have represented the number of injuries inflicted on the players. Or perhaps, they denoted the total number of touchdowns. As it turned out, regrettably, these numbers signified the Cane's post-season worksheet, 3-7. Dismal though the season appeared to have been, one triumph glowed like a single star in the vast heavens. On September the 9th, the Oak Ridge Wildcats rumbled into town, only to be defeated 26 to 21 by an obstinate orange monstrosity under the direction of Head Coach Carlis Altizer. In this respect, the season was not considered in vain. Senior quarterback Randy Sanders passed his way onto the All-Conf. and All-State teams by completing 92 of 164 passes. Brian Keller, also a senior, was chosen as an All-Conf. defensive back. Notable accomplishments could be forseen for all returning Hurricanes, especially of junior starter and All-Conf. receiver, Charles Cole.

Brian Keller and Troy Kelley run resistance for the bull, Eric Rauberts.

Recognition

Sanders' desire for perfection, along with God-given talent, made it all possible: AAA Player of the State, Upper East Tenn. Defensive Player of the Week; IMAC Team and Offensive Player of the Year; Johnson City Press and Chronicle Upper East Tenn. Elite Eleven; Lawrenceburg Quarterback Club's East Tenn. Player of the Year; AP, UPI, and Writers' All-State Team; Orlando Fla. Sentinel's All South Team; and East High's Quarterback.

The Meanest Midgets Ever

Commencing their season with a pint-sized team of merely 19 players, it was evident that the 1983 "Baby Canes" had to work superbly together. Work that was undoubtedly the correct word as they found it necessary to play the majority of their players to the extreme limits both offensively and defensively. When the Canes traveled to Newport, for example, their fighting spirit was detected by all spectators, the student body of Cocke Co. High. Down by 12 at one time, East blazed a smoldering recovery to a 24-18 victory. Completing their season with a 4-4 overall record, the players said their farewells to Coach John Cranford and Larry Wallace, and anticipated the contributions they would make to the varsity squad.

Cherokee's chief goal is to get the quarterback.

Volleyball

The Thrill of Victory Without the Agony of Defeat

In every competitive sport, victory is the challenge, the purpose, and the desired outcome. During the fall of 1983, however, volleyball fans witnessed a unique team in action. The members of the girls volleyball team placed one thing a step higher than victory on their list of priorities: enjoying the game. These girls thrived on the pleasure they drew out of the sport and, consequently, found that their performance sparkled because of it. In no way a reflection of their spirit, skill, or dedication, the Hurricanettes finished with a 6-10 slate. Greeneville proved to be their downfall as their season was arrested abruptly in the semifinals of the District Tournament. Outstanding members on the team, senior Lisa Patton and junior Glenda Musick, gained recognition as All-Conference and All-District players. Most likely, however Coach Ava Walker should be most prominently acknowledged for the guidance with which she provided the team.

Julie admires the skills of her teammates.

Lisa Patton returns the serve under the watchful eye of her team.

Memorable Season

A change of pace proved to be beneficial to the members of the 1984 boys and girls cross country teams. Breaking in a new coach is, undoubtedly, a difficult task; yet these athletes handled the situation with ease. Supervised by first-year Coach Lou Hooban, both teams set a leading pace as they grasped the conference title. Betty McDonald, Angie Murray, and Kelly McCormick, placing 2nd, 3rd, and 4th in the conference, led the race in the girl's division. Each girl, also was esteemed with an All-Region classification. The boys team was equally as successful, grasping a perfect 13-0 record. David Bellamy finished first for the boys as he made the All-Conference and All-Region teams and set several records. An additional sparkling performance was given by Buddy Everhart with a record-setting time of 16:08. This team finished the season without the loss of a potential '84 participant, heralding a remarkable season for next spring.

The Hurricanes stretched out a winning season this year.

David was East's Goliath this year.

Kelly seems to enjoy running.

Sharp runner, Bobby has been a team leader.

Betty's form won her many victories last year.

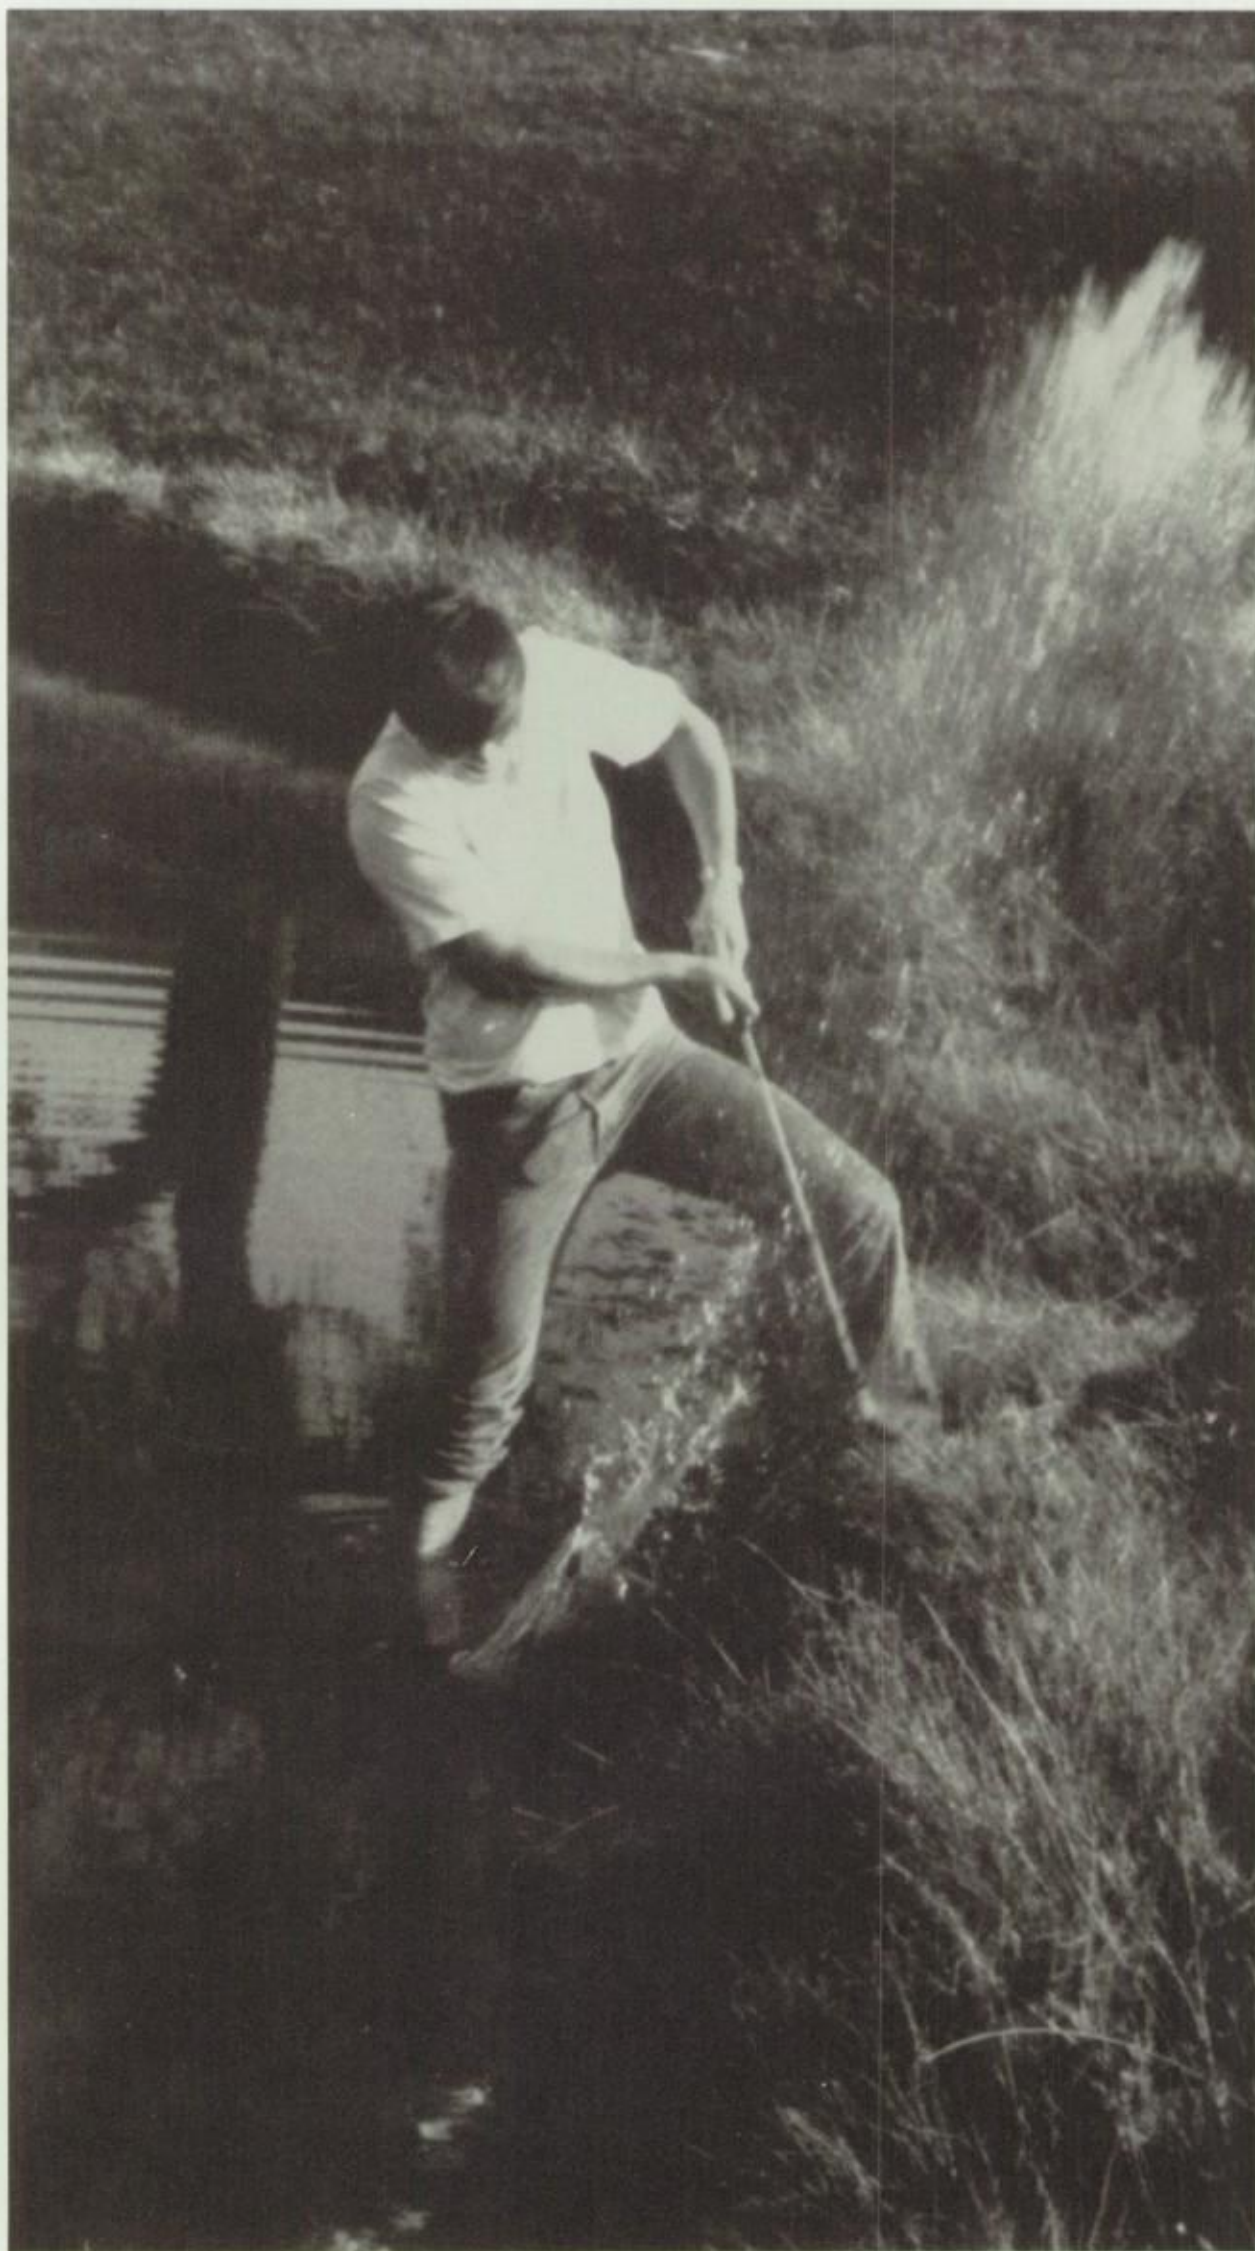

A Splashing Season

Teeing off their fall schedule with a rip-roaring course before them, the Golf Team moved from green to green, hole to hole, and victory to victory throughout East Tennessee. Guided by the practiced putter of Coach Mike Mills, the Canes concluded the season with 56 feathers in their caps, as opposed to merely 18 losses. Tim Moore, a junior on the team, yet already a pro, was chosen for the All-Conference team and voted M.V.P. Bobby Young and Scotty Kanipe, seniors on the team, also helped to keep the team out of the sand traps! Young was chosen for the All-District Team. Although the Hurricanes retired to the club-house for the winter, they were back in action with the first sign of spring.

Coach Mills got Moore out of Tim this year.

Varsity Boys' Basketball Team

Although the 1983-84 Varsity Boy's Team did manage to spring back from an unusually harsh graduation, their feat did not quite produce a season above the 500 mark. From the previous year, the Canes lost their entire starting team, which contained, for the most part, their height. The first half of regular season play handed East several heartbreaking losses by 1 and 2 points; pressure situations were not easily handled by the Canes. Despite the fact that they did manage to come on strong in their final games, the Canes were not able to secure a high placement in the District Tournament. For this reason, they were defeated by Cocke County in the first round. Seniors for East were Richard Drinnon, Jeffrey Isom, Steve Wilson, and Richard Long. Looking ahead, however, many of this year's outstanding juniors are expected to keep the ball bouncing next year.

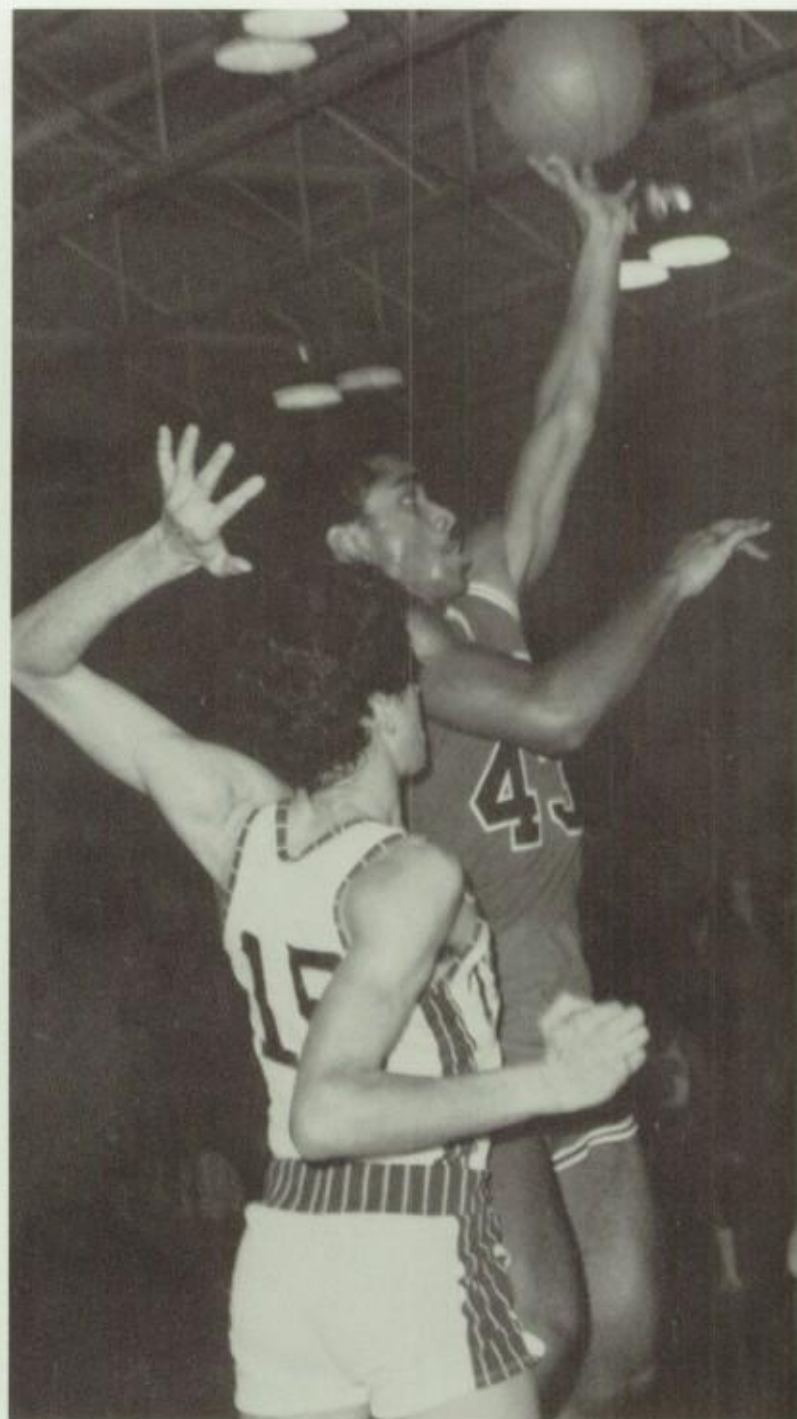

Who's gonna get it!

Jennings will be a vital asset to next year's team.

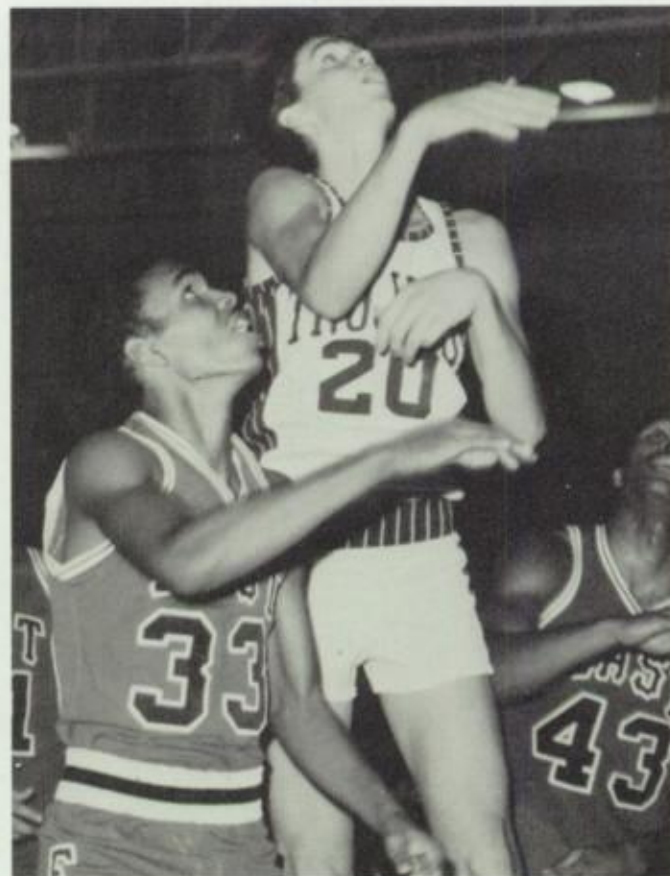

Wilson's good form is evident here.

Basketball

Boys B-Team Basketball

The 1983-84 boys B-team had a great winning year. Led by second-year coach Dave Canter the Hurricanes compiled a record of four wins and five losses. Heading into the conference tournament the team speculated that the team to beat was West. Although the Trojans had the best record, East defeated West by a score of 49-36 at Isenberg-Siler Gymnasium. The team consisted of twelve players, eight sophomores and four juniors, Ricky Martin, Andre Boston, Ronnie Bruce, and Derry Young. No doubt, the varsity Hurricanes have great prospects in these players for the future and will be a dominant force in the conference.

Freshman Boys Basketball Team

The Freshman basketball team was a power to reckon with this year. They were under the fine direction of second year coach John Cranford who with his team fought to attain a record of 13 wins and 5 losses. The team showed their muscle in the District Tournament where they came in first place. With these fine young players moving up, the B-team and varsity teams should be well equipped for good seasons in the coming years.

Consistency — a word that is easily understood yet difficult to achieve. This was certainly the case for the 1983-84 Hurricanettes. On a given day, they could have played with the skill of professionals or with that of beginners. Not until the final stretch did they begin to display consistently results of excessive practice time. The Lady Canes were led by senior starters Dawn Bently, Janet Neal, and Lisa Talley, but they received assistance from several juniors and underclassmen. Key victories included those over West High, Greenville, and Davy Crockett. A successful season is once again expected for the following season.

B-Team Girls Basketball Team

The B-Team Hurricanettes consisting of nine players completed their season with the overall record of 13-3. Coach Larry Lay, replacing last year's coach, Richard Price, advised the ladies until after Christmas. Coach Hux, the Varsity Girls' coach, led them to a successful completion of their season. These young ladies proved to be stiff competition grasping many victories over teams consisting of relatively older B-team players. The Varsity Hurricanettes are undoubtedly inheriting promising talent.

WRESTLING

As in years past, the 1984 Hurricane Wrestling squad turned in remarkable performances in their regular season and in tournament play. With merely 3 returning starters, the team should be given credit for their accomplishments. Although Billy Murphy was the only senior on the team, he admirably carried the load of more than one person. The East team finished their schedule 3rd in the conference as well as 4th in the district. They continued with regional competition as Murphy, Dennis Talley, Brian Stubblefield, Shawn Mason, and Troy Kelley earned positions there. Of these five, Murphy, above, traveled to state competition where he finished second in his division. In addition, he turned in an overall 40-2 record. The experience given to this year's wrestlers should be beneficial to the entire team for the next season.

They Bit the Dust

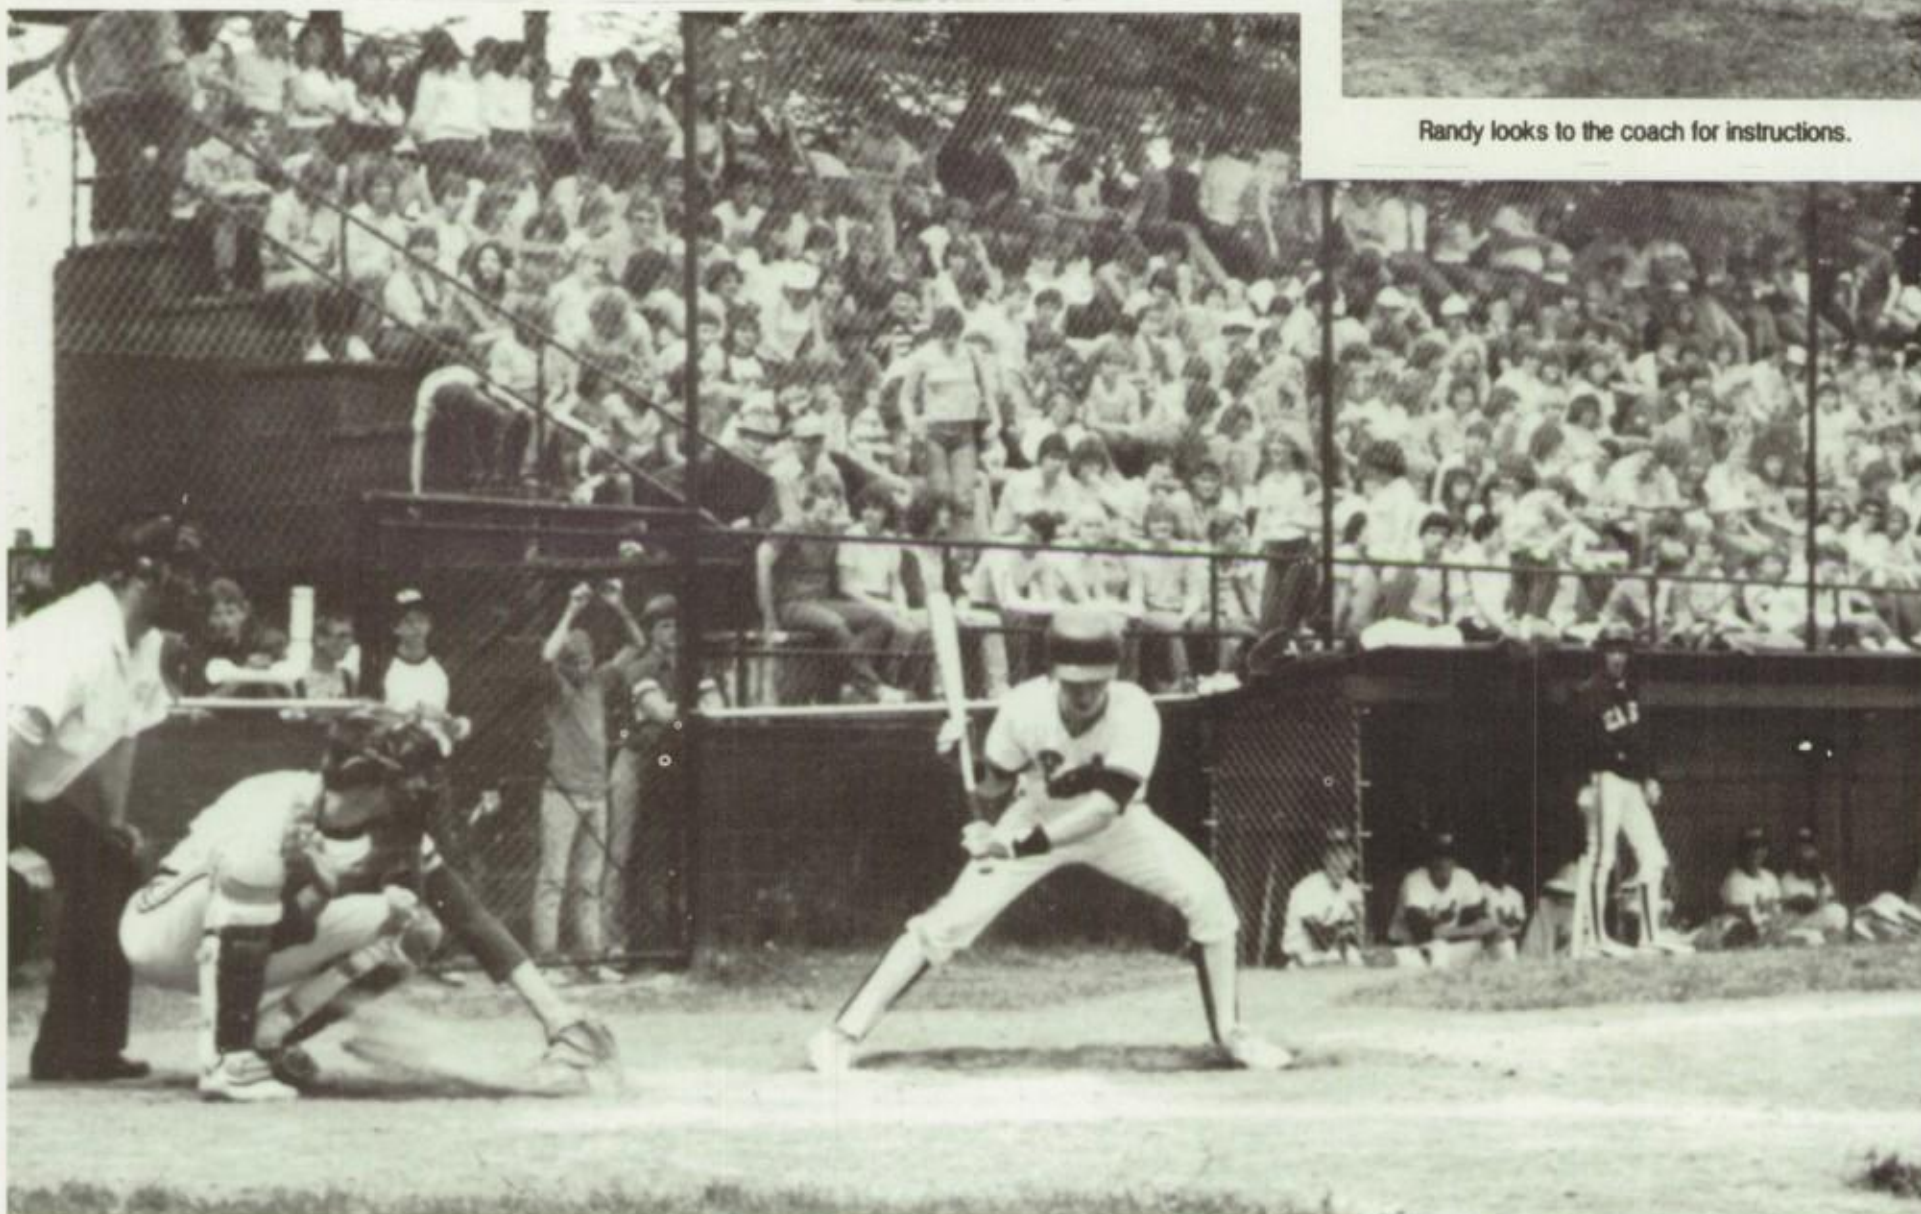

The last spring, these young men's fancies turned to thoughts of . . . baseball; each of their performances displayed the virtues of dedication. Victory after victory brought them one step closer to post-season tournaments, yet one devastating night eradicated dreams of a state championship.

The 1983 East High baseball team, indeed, was one of the top teams in East Tennessee. For head coach Richard Price and the players under his direction, it was undoubtedly a year of achievements. In perhaps the most impressive of these, the Hurricanes notched their second successive conference victory with a record identical to the previous year, 13-1. A resolute Jefferson County team, however, halted their conference winning streak by downing the Hurricanes in two vital games during the District Tournament. Although this did not end their season, the pitching of Sullivan North proved to be far too challenging in the Region.

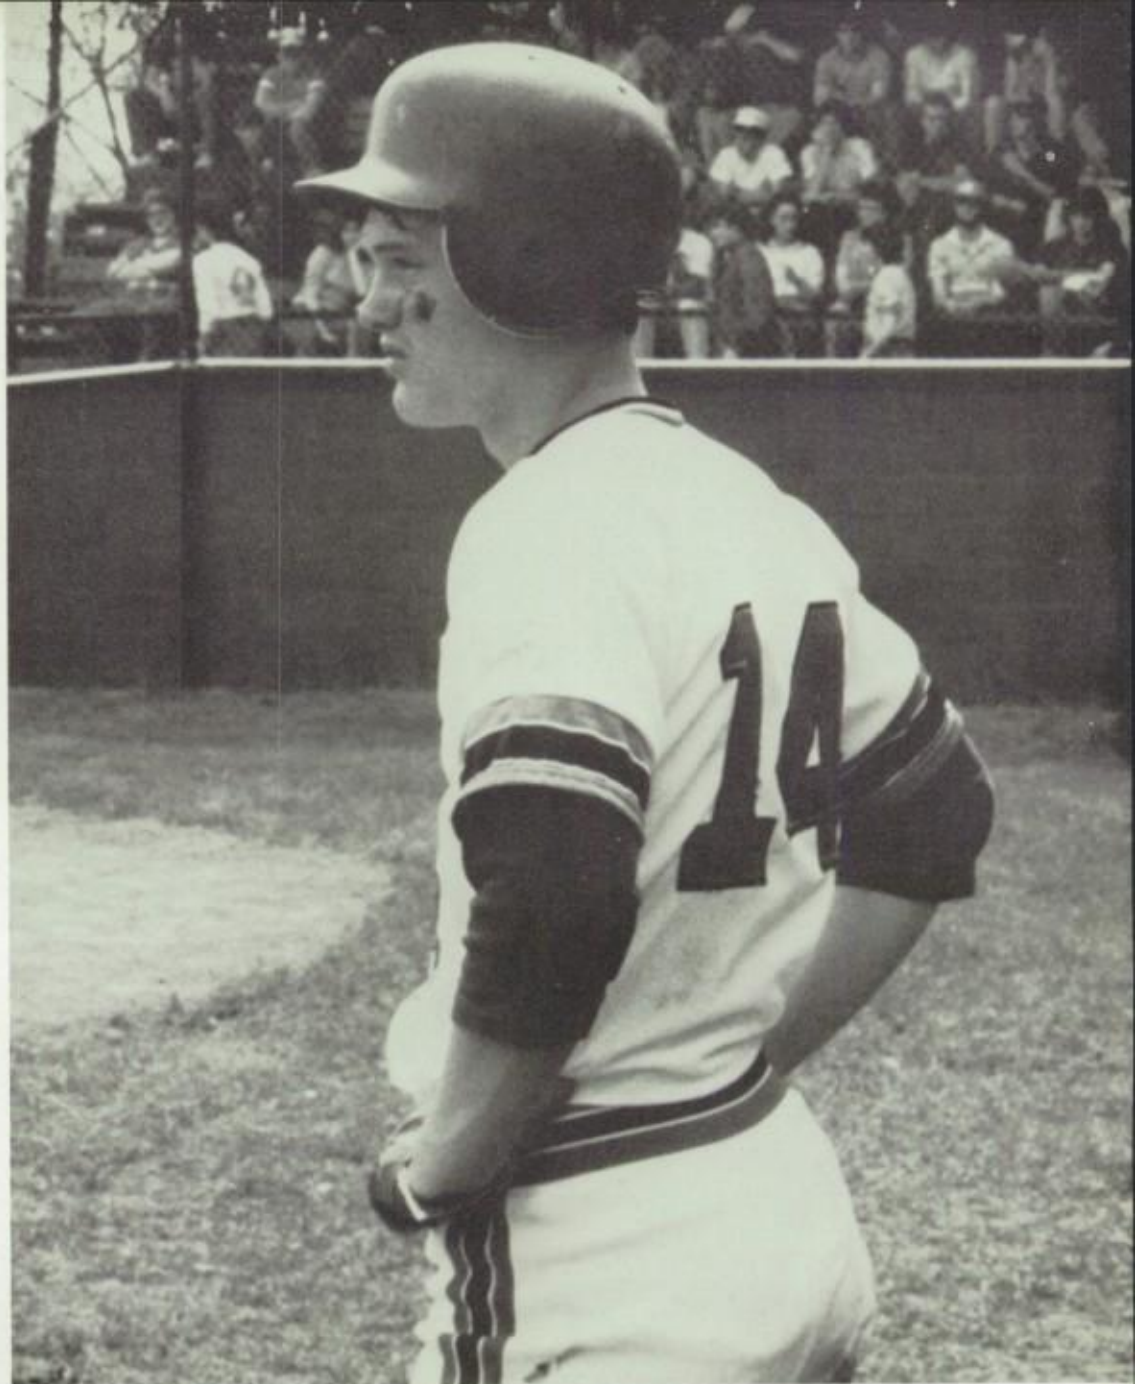

Individual accomplishments of the year were led with Tony Hayes' record-setting number of single season homeruns in addition to his leading East Tennessee in home runs and R.B.I.'s.

Softball

Good, but We've Done Better

Since the introduction of girl's softball into the sports curriculum at East High, the Hurricanettes have monopolized the district tournament crown. During their 1983 season, however, they relinquished their hold on the title as they were defeated by Cherokee. Despite this letdown, the players had retained their conference championship and accomplished a spectacular season, highlighted by victories over West (6-30) (and Cherokee 12-5 and 7-4). Andee Hildago, four year starter and All-Conf. player, provided tremendous leadership to the team. Other seniors, Robin Cobb and Susan Musser, also, carried their weight well. Junior Lisa Talley and sophomore Sandy Brown, all conference picks, led the Hurricanettes on the mound and at the plate. Although an overall record of 19-3 is by no means poor, the Hurricanettes planned on improving it next year, regaining the tournament crown, and steadily laboring their way to the top. Undoubtedly, these were also intentions of Coach Bill Hux; therefore we anticipate many splendid feats in the season to follow.

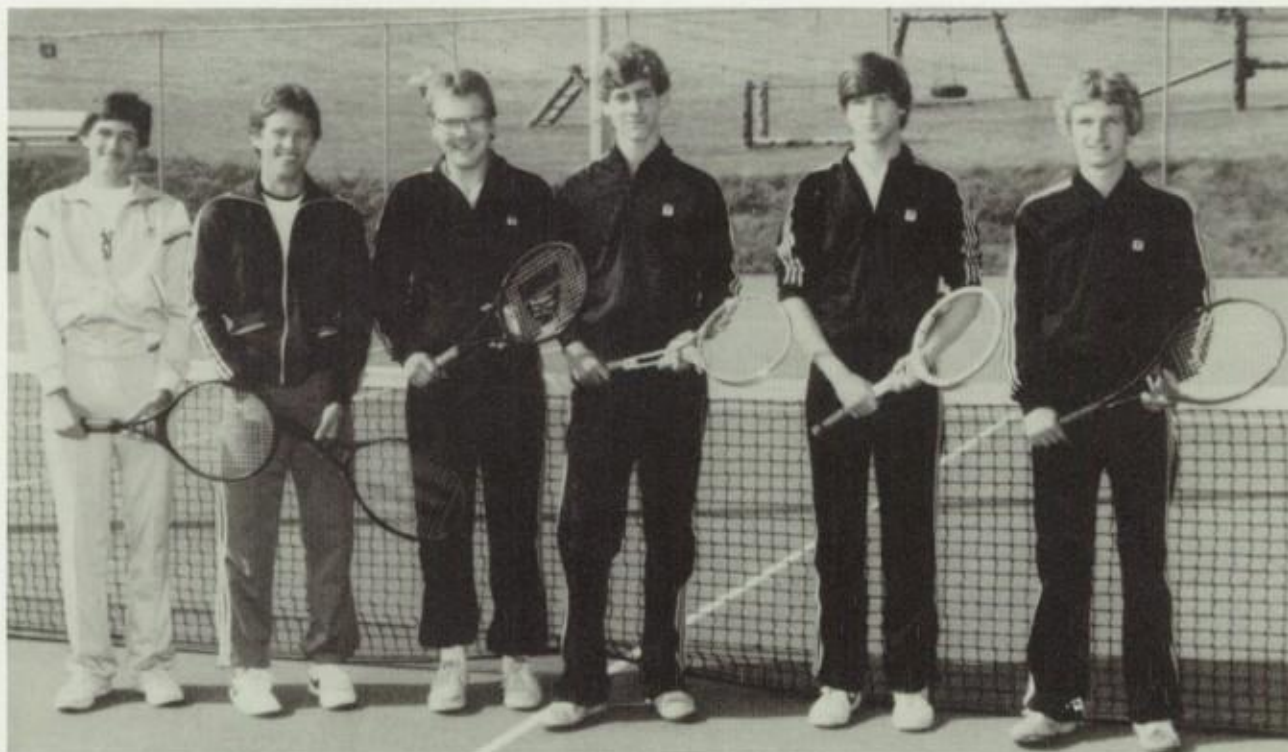

Tennis

Boys

Well, what can we say?

Sometimes mediocrity is a word that cannot be evaded when speaking of a team or an athlete. For the 1983 boys tennis team, this was certainly the case. Though they were not able to gain any great material awards, the adept, determined Hurricanes were, in all respects, winners. Under the direction of rookie coach Dave Canter, the Hurricanes rounded out the year with a 5-6 over-all slate, just missing the mark of a winning season. Senior member of the team David Shipley took the award of excellence as he finished with the most impressive individual record. The entire team showed remarkable improvement and promised to become a strong force to reckon with in the conference during the spring of 1984.

Girls

Netters ace a winning season.

A victory-highlighted season capped off an exciting year for the members of the 1983 girls tennis team. Mary Ann Bales, merely a sophomore, led the team with a remarkable 11-1 record. Contributing their experience and leadership, seniors Kim Howington and Kim Bunch completed the year with a 12-3 and 10-3 worksheets, respectively. Both of these talented athletes, also, earned themselves a seat in the regional tournament. Without a doubt, numerous achievements are expected from these girls in upcoming years.

Individuals to Make a Team

The secret is a balanced attack.

Resembling each other in numerous ways, the boys and girls track teams finished the season with 8-2 and 7-3 records respectively. Both of the teams, for instance, were awarded second place in their conference as well as in their district. For the boys, Johnny Sharp was the recipient of a scholarship from Carson Newman College. Not to be outdone, however, Michelle Stokes was also rewarded with a scholarship to Morristown College. The boys, who were led by senior Toby Pearson, maintained a balanced team attack, as did the girls.

Consisting of two freshmen and two sophomores, the girls two mile relay team shattered the previous record during the 1983 season. On this note, one could safely assume that both teams have returning members that should rise to the top of the conference in the following years as their experienced underclassmen develop in body and mind.

Stokes broke her own discus record many times over.

Cheerleaders

Freda's Cupp runneth over.

The cheerleaders get down.

The athletic program at East received a tremendous amount of support from the Varsity Cheerleading Squad. Preparing early in the summer for the coming year, they attended the National Cheerleaders' Association Camp at U.T. where they won the spirit stick, 3 blue ribbons, and 2 red ribbons. Shortly after returning, they held their own instruction camp for cheerleaders in the area. Although this was a major fund raiser for them, the cheerleaders also sold school spirit buttons and ribbons. The money they raised was put directly back in to the Athletic program for pep rallies, signs, name tags, and meals for the athletes. Their devotion to East High was greatly appreciated by all athletes and supporters, and for their devotion and enthusiasm, these 5 seniors and 3 juniors became associated not only with cheers, but became known as individual leaders.

HOMECOMING

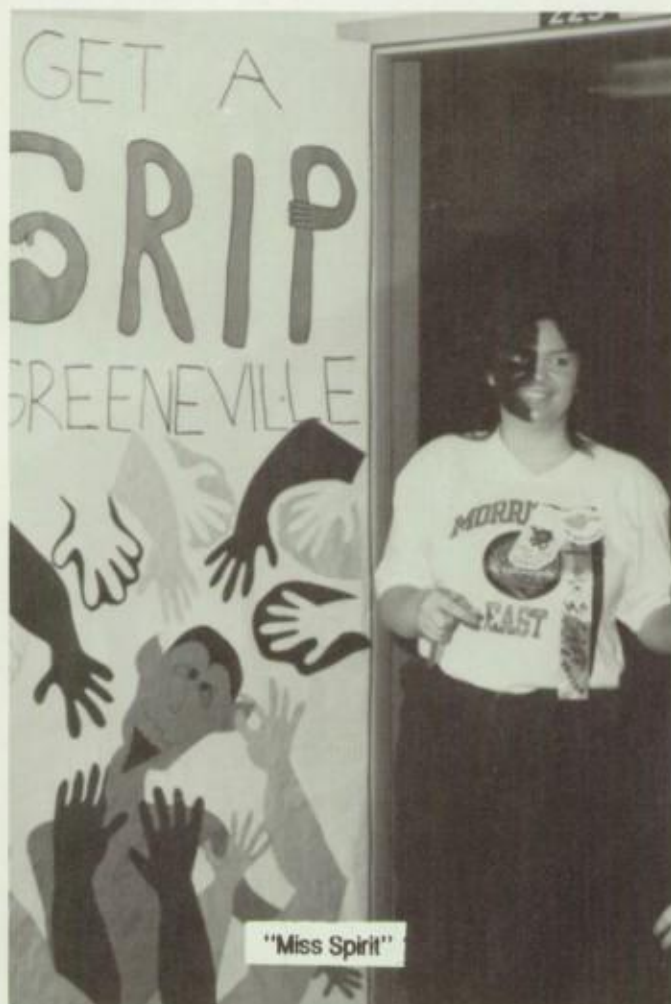

When the Canes Go Marching In

During the festive week of Homecoming, many spirited students participated in planned activities such as "Sweat-suit Day," "Punk/New Wave Day," "Disguise Day," and "Dress up Day." On Friday, juniors and seniors wore orange and black to indicate the "Hurricanes"; the freshmen and sophomores wore green to represent the "Green Devils." Throughout the week, all the homerooms decorated their doors to reflect the theme, "Get a Grip on Greenville." Many clubs participated in a poster contest during the pep rally and the Library Club won with its spirit chain made of the names of all East students linked together. During the pep rally, each class had representatives who performed a skit relating to the theme. The skits varied from the "Freshman 4th Down" to the "Awesome Senior Air-Band and the Hurricane Touch." Juniors took first place with "When the Canes Go Marching In." Most Spirited Boy was Richard Drinnon; Most Spirited Girl, Lori Barr.

THE MUSIC MAN

Traveling salesmen and hicktown hustlers abounded as Meredith Wilson's **The Music Man** came to Morristown. The Concert Choir from East and West High Schools, directed by Mr. Randolph Adams, brought to life the adventures of Harold Hill in River City.

The cast and crew gave all the effort they had, as did the technical assistants: Mr. Clay Krummel, who for years has contributed to set design and construction, Mr. Danny Russell, who was lighting technician, Mrs. Jo Kelly, who returned as choreographer, and Dion Treece, who conducted the orchestra. The show was considered to have been a success. Reserve seating was sold out for opening night, and the audiences appreciation mirrored the success of the performances.

ALL-STATE EAST BAND

Many talented East High band students attended auditions for All-State East Band in January. Ten students were selected to attend the clinic held in Bristol on February 3-5. Sharon Smyth and Karen Lawson performed in the White Band; Chris Bell, Jane Corbin, and Penny Taylor played in the Green Band; Scott Sanders and Randy Webb played in the Red Band; Terry Wall and Bill Whetsel, not pictured, selected for the Red Band, and Rachel Acuff, selected for the Blue Band, chose to perform in the orchestra. Rachel Acuff qualified for the All-State Band, which will be held in Nashville on April 12-14.

Just You and I

The theme song "Just You and I" provided a romantic interlude for the 1983 Junior-Senior Prom. Multicolored balloon bouquets enhanced the festive evening, and music by "Air Waves" filled the air. Johnny Tipton and Donna Brock were crowned King and Queen, and they had the honor of dancing to the theme song, "Just You and I," after the crowning.

Boys' State

Ronnie Smith was selected to represent East High School at Tennessee Technological University in Cookeville, TN, for the 1983 session of Boys' State. Ronnie was chosen on the basis of character, honor, leadership, and courage. The purpose of the conference was to promote a sense of pride in the workings of government at both the state and national level. Ronnie was sponsored by the American Legion Post 125. As East's representative, Ronnie was an outstanding example to Tennessee's youth.

Veterans' Day

The Veterans' Day Program was a tribute to those Americans who served in the armed forces. Representatives from World War I to Vietnam were present as the student body participated in the Pledge of Allegiance and a moment of prayer. Coach Larry Wallace delivered a tribute to Vietnam veterans, mentioning three East High students who died in action. Mr. Steve Lamar, a Vietnam veteran, spoke of his experiences as a helicopter pilot. Music was provided by the band, which performed *The National Anthem* and *This Is My Country*, and the choir which sang *The Battle Hymn of the Republic* and *America*. In closing, Mr. Williams said, "It brings tears to my eyes and happiness to my heart — this program and your attitude."

High Honors

High Honors is a commendation reserved for the very small percentage of East students who have maintained exceptional grade point averages for the entire four years of their high school careers.

High Honors recipients must have maintained an average of 3.75 to 4.00 overall. The High Honors students were Kelly Creech, Robert Garrett, Denise Horton, Debbie Roegner, Barbara Stump, Lisa Talley and Kevin Wells. Valedictorian Kelly Creech maintained a remarkable 4.00 average. Kelly (pictured at left) compiled a flawless record as well as completing a rigorous academic schedule. The High Honors recipients are pictured above.

Scholar Bowl

The East High Scholar Bowl team hosted the 1983 Scholar Bowl tournament at the Talley-Ward Building. Several teams were invited to participate including Greeneville, Rutledge West and Cocke County, whose team took top honors. Our team was a young team, all their team members being sophomores except for the two alternates, who were seniors. The 1984 Scholar Bowl team began in January for a successful year.

Featured Futures

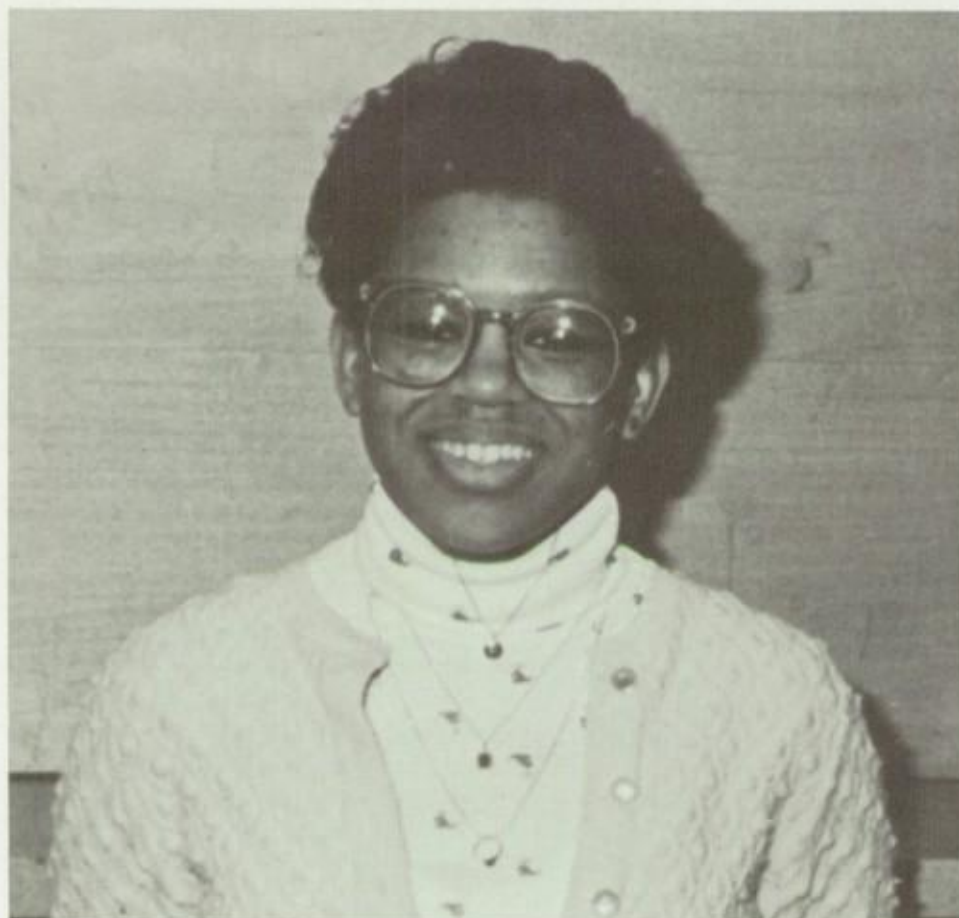

LYNETTE KEGLEY

In ten years from now, I plan on being married to Robert Garrett and raising a family and plan on having a degree in elementary education and someday hope to teach.

JOSEPH RODRIGUEZ

Ten years from now, I hope to be living in Florida. I'd like to be married with 2 children, own a beachhouse, and do nothing (besides working) but swim and fish.

YOLANDA TREECE

Ten years from now I would like to be performing on Broadway, both as an actress and a singer. By that time in my life, I hope to have just begun to accomplish my life's ambition.

DAWN BENTLEY

Ten years from now I hope to have a job in the field of Medical Technology or Elementary Education. Maybe I will be a Basketball Coach if I am a teacher. I also plan on being married with possibly two children.

FFA Sweetheart

Dawn Free, a senior at Morristown East High School was chosen as the 1983-1984 Chapter Sweetheart for the Future Farmers of America. A panel of judges for the Smoky Mountain District of FFA chose Dawn as the Smoky Mountain Queen. Miss Free has participated in many school, community and church activities which were considered in her selection. Dawn represented the Smoky Mountain area in the East Tennessee Regional Contest February 22nd.

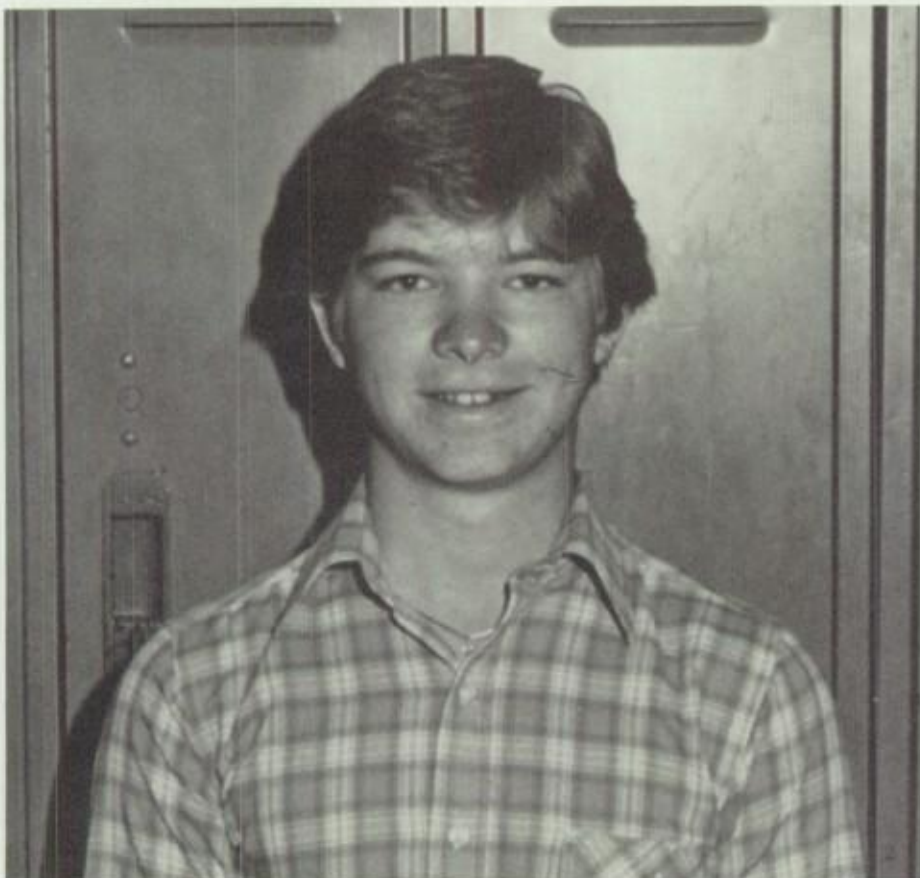

Peter Norrman

Peter Norrman was an exchange student from Billeberga Sweden. Peter's school was much different from East High. The Swedish schools use a system called rotation; this means the students have a different schedule each day. According to Norrman, this method is much better than ours because the students stay interested. The customs of Sweden are somewhat like ours, except they do not celebrate Thanksgiving. However, the music, clothing and fashions are the same. Peter thinks the Americans are extremely kind, and he is glad he got to visit the United States.

Mark Fisher Award

Bobby Young was awarded the Mark Fisher Memorial Award. The award is given to the golfer with the best attitude and most dedication. Talent played a big part in Bobby's award; he has proven his capability of being a winner all four years of participation in golf. Congratulations Bobby for another successful year!

Annual Awards

Bausch and Lomb

Robert Garrett was named the 1983-1984 winner of the annual Bausch and Lomb Science Award. The award — a handsome bronze medal — is presented each year to winners at more than 8,600 participating high schools throughout the United States and Canada. The recipient of this honor must maintain the highest four-year average in science courses at East. Winners of the B and L Science Award are eligible for scholarship competition, mainly at Rochester University in Rochester, New York.

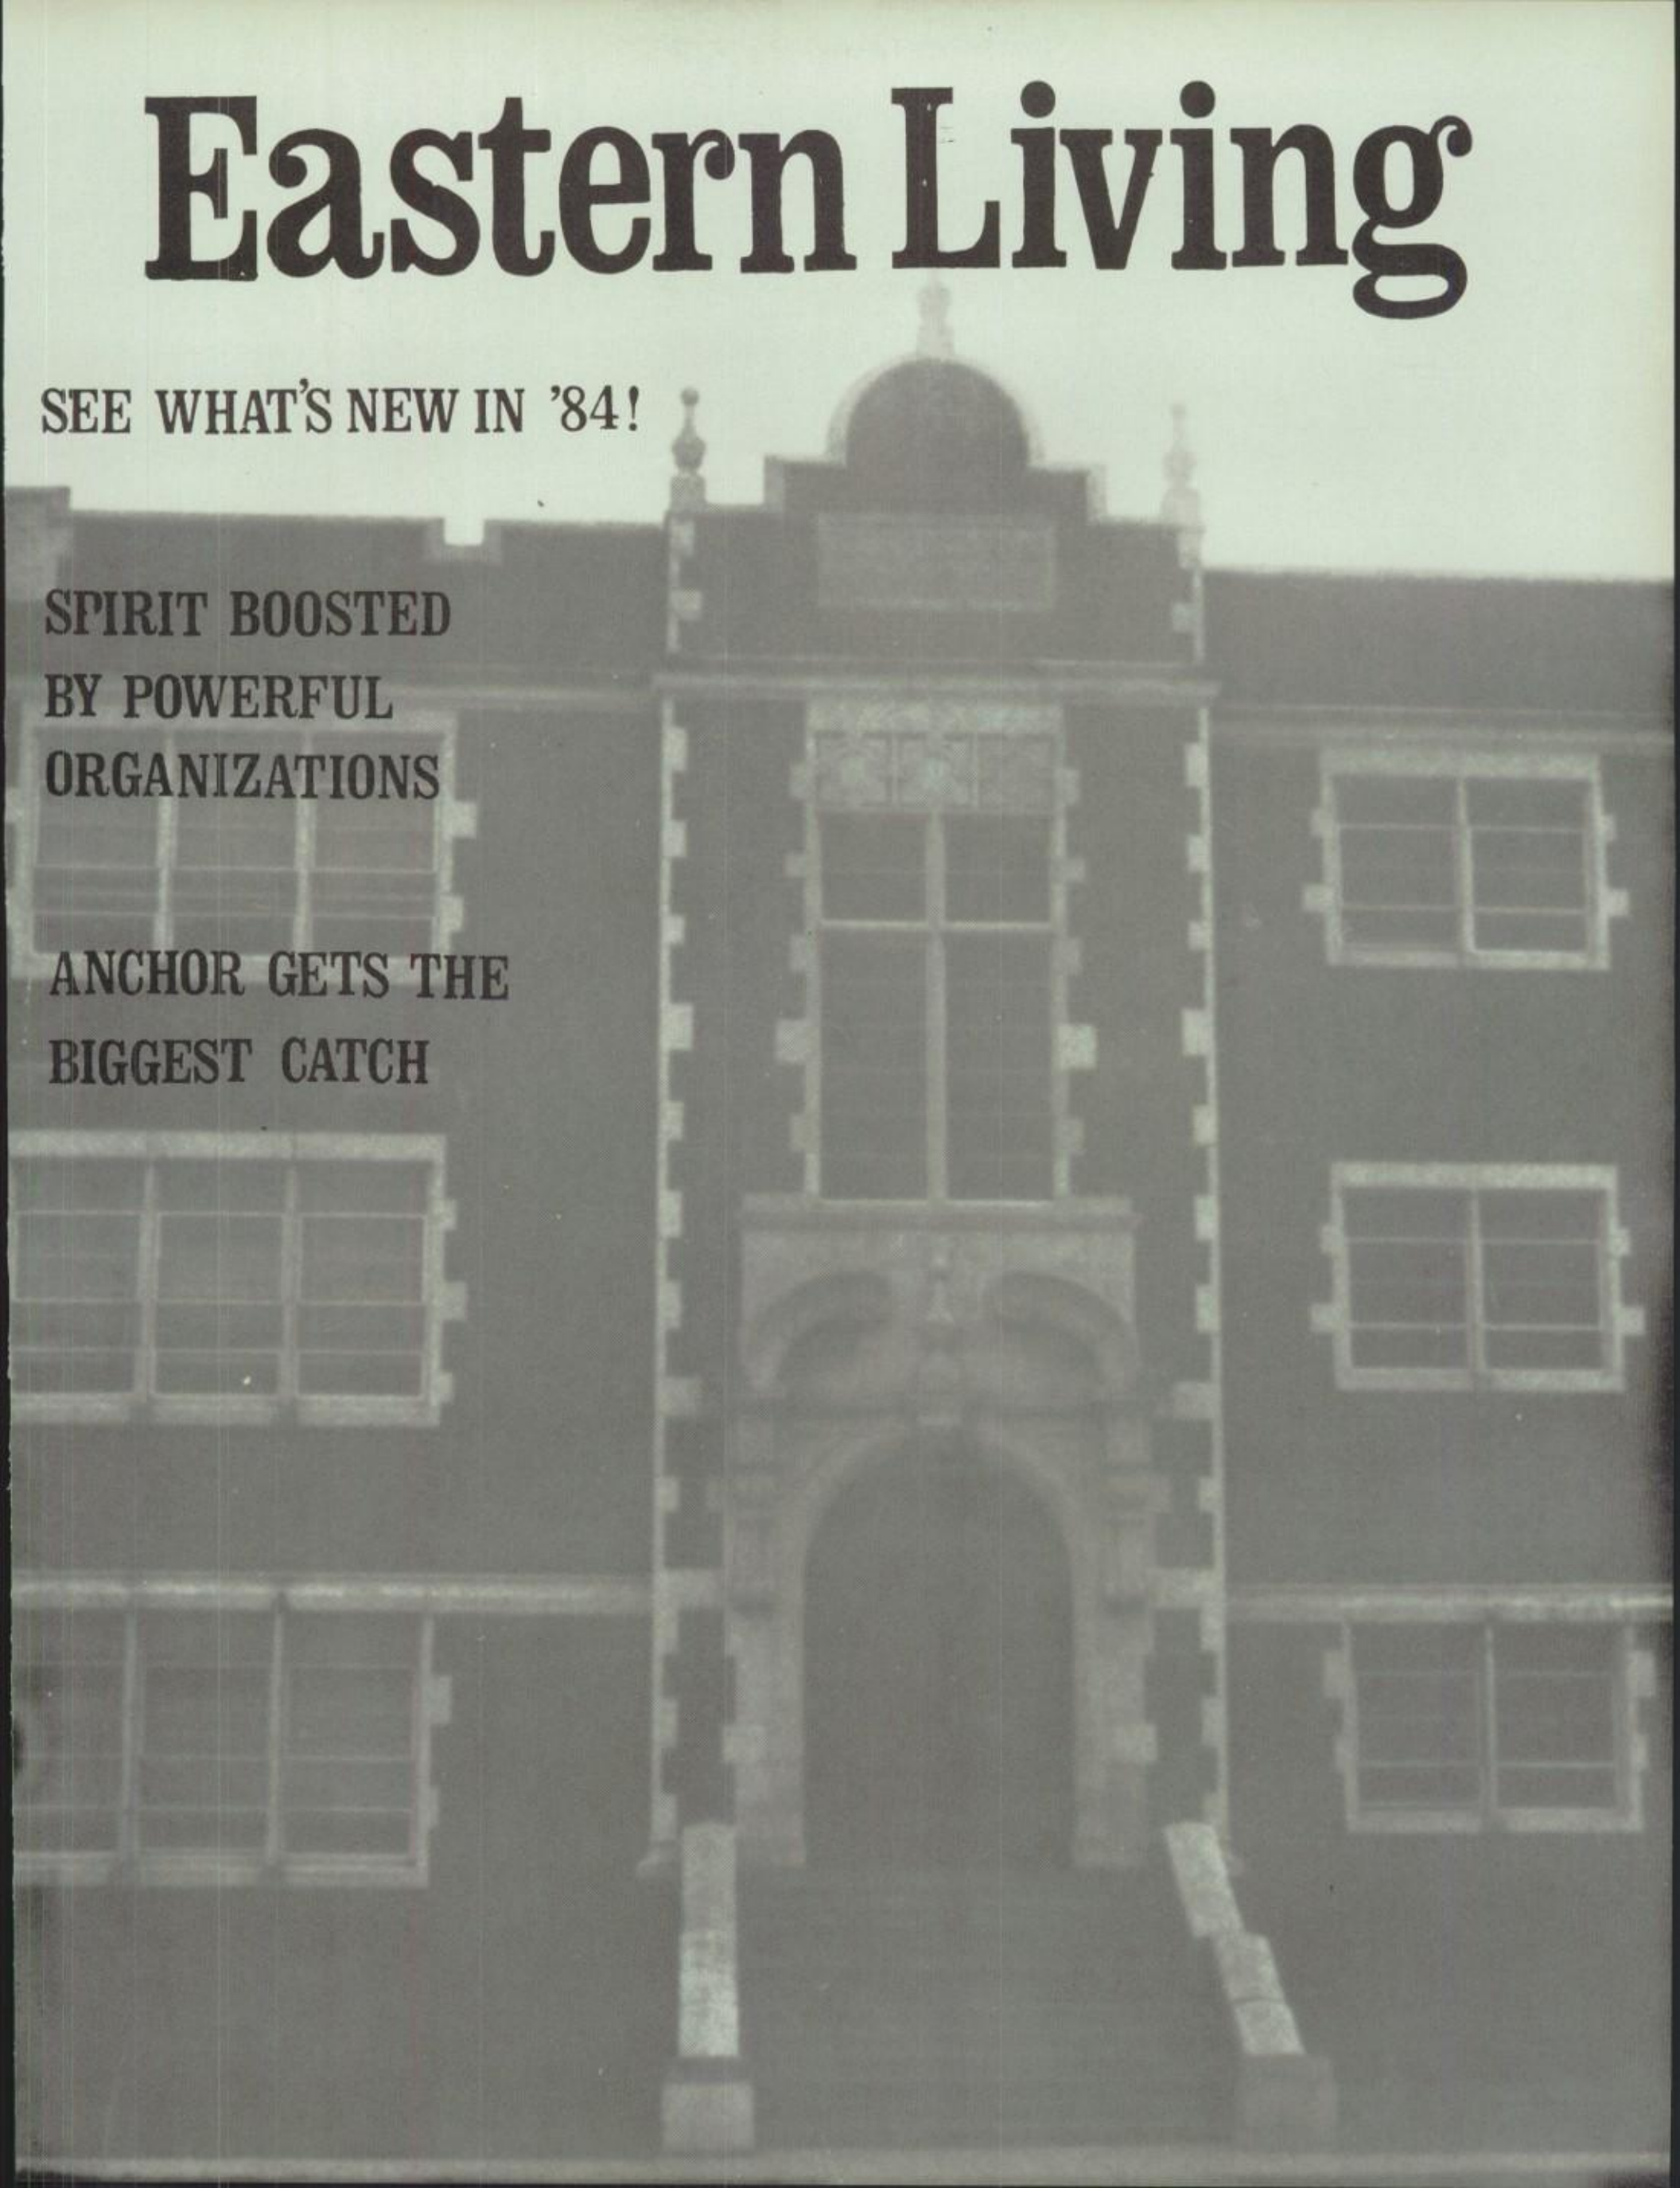

DAR

The Samuel Doak Chapter of the Daughters of the American Revolution chose Etter Hurst as their recipient of the DAR award. The award was given on the basis of achievement, leadership, and citizenship. Etter was nominated and chosen by members of the faculty. She received a pin and a monetary award.

Hurricane

The East High Band did it again this year! Under the direction of Mr. Tom Shupe, the Hurricane Band had a superb year. Hard work, dedication, and pride were the driving forces behind their success. They competed in several competitions in Tennessee and surrounding states including the Volunteer Classic, the Dogwood Arts Festival, and the Western Carolina Band Festival. They received excellent ratings in many of the competitions. Aside from the countless half-time shows during football season, they held a Senior Concert and a Christmas Concert.

Band

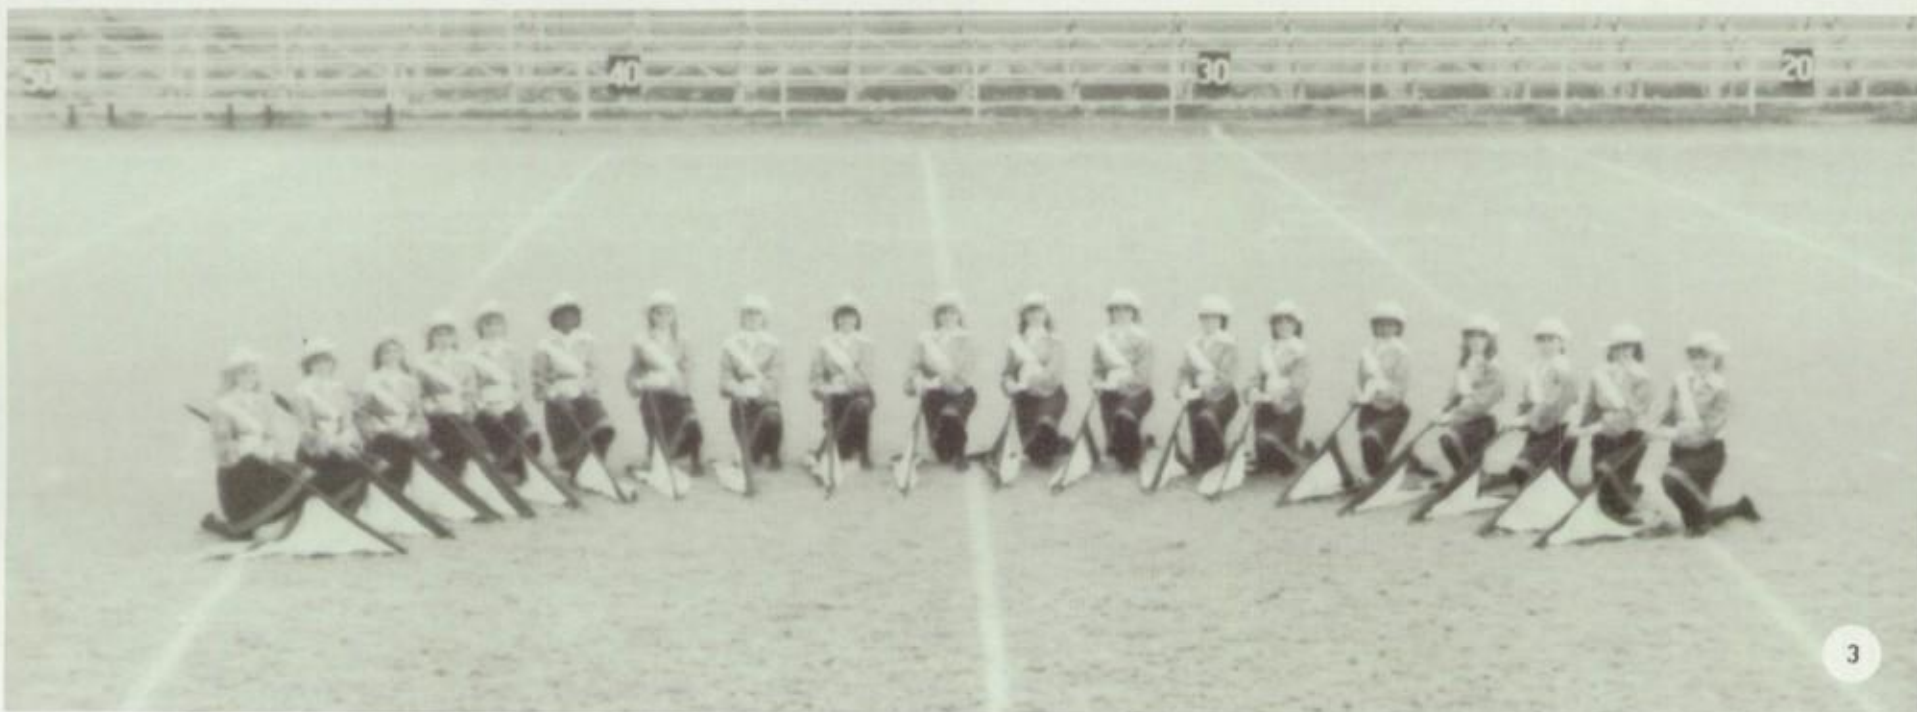

They also took part in all of the Morristown parades. The 1983-1984 band consisted of 110 people whose talents ranged from the Rifle and Flag Corps to exceptional instrumentalists to Drum Major, Sharon Owen. The rifles and flags, which together form the East High Colorguard, cooperated to raise the band's overall ratings at their competitions. Viewers called their performances a work of art. Officers were Gary Sanders, President; Holly Byrum, Vice-President; Dawn Turner, Secretary; Angee Allen, Historian.

Anchor Club

East High Anchor Club provided many services for the community and for the school. The Anchor Club brought many opportunities for its members to develop public-relations skills. The Anchor Club participated in Special Olympics both in the fall and in the spring. Two members each month went to help Mrs. Anna Frank Steadman at the Pilon Club dinners. Two annual projects were selling flowers on Valentine's Day and preparing Thanksgiving baskets for needy families. Once a month members spent time with the elderly and disabled at the Life Care Center. They took part in Teacher Appreciation by presenting each teacher with a red apple. Their main school project was carpeting the Guidance Offices. One extremely successful project was taking snacks to the Youth Emergency Shelter every Saturday. Many members of the Anchor Club worked in the office before school started in August, during exams, and in May after school was out. As another tradition, they had their annual Mother/Daughter Induction Ceremony. In September they had their Fall Luncheon which was attended by approximately three hundred people. The Anchor Club rewarded its members for all the hard hours the girls put in by having a party at Ice Chalet. The club got a big catch when they received the National Safety Award which included a \$350 mini-grant. Under the direction of Mrs. Ferne Strange and Mrs. Connie McGinnis, the fifty-member club had one of its best years yet. Officers were President, Karen Foster; Vice-President, Connie Wilder; Secretary, Melinda Shelton; Treasurer, Etter Hurts; Senior Directors, Angee Allen, Kim Fowler; Junior Directors, Krista Rose, Vickie Saylor; Sophomore Director, Emily Litz.

Students with an average of 3.0 or higher were chosen on the basis of scholastic achievement. The Beta Club was led by Mrs. Charlotte Charles and Mr. Mike Mills. The club consisted of 79 members. New this year was a point system that proved effective in sustaining the attendance. Members were required to attend 75% of all meetings including service projects. If this requirement was not met they were removed from the club. Activities the club took part in were Teacher Appreciation Day and a special informal Induction in September as well as a formal Induction Ceremony later in the year for new members. Their major service project was cleaning up the Rescue Squad Building once a month. This year the club took part in the National Beta Club Convention in Nashville on March 30 and 31.

They had a fashion show in the spring to raise money and to present the new fashions to the audience.

Hurricane

Room 304, a common hive of excitement, housed the 32 staff members of the Hurricane Staff. These members, with the help of Mrs. Elise Oakes and Co-editors, Kelly Creech and Ronnie Smith, provided the student body an informative publication of new school policies, up-to-date sports coverage, activity agendas, club news, and mind-boggling trivia. *The Hurricane*, was published monthly; therefore the staff was able to assure the students of knowing the school news. Almost all the staff members went to the Newspaper Workshop in Nashville this spring. The purpose of this workshop was to improve the previously developed skills. The Hurricane was also judged at this workshop on the basis of merit. The diligence of the staff resulted in a newspaper that the student body was proud to call their own, and that took top honors among those in 400 other high schools.

Humana Hospital Morristown is doing something about rising health care costs:

DaySurgery

In addition to saving the room and board charge associated with an overnight-hospital stay, DaySurgery patients also benefit from a significant discount of their total hospital bill.

Emergency Department Acuity Pricing

Over one-half of all emergency department cases are what might be called "lesser emergencies." A fever, bump or bruise may be painful and uncomfortable, but is not life threatening and does not usually require complex treatment. Humana Hospital Morristown has adjusted emergency department charges and scaled them to the level of treatment provided.

Acknowledgements

We, the members of the 1984 ITAKHA staff, would like to express our sincere appreciation and gratitude to those people who provided much guidance and assistance toward this year's ITAKHA publication.

For photographic contributions and advice on graphic details, we would like to recognize the entire HURRICANE staff, Chuck Hale of the CITIZEN TRIBUNE, Randy Sanders and the Quarterback Club, along with Mrs. Sally Bennett. Without these persons' contributions, the 1984 ITAKHA would have been left without several outstanding and necessary photos.

This year, the faculty and staff of Morristown East have proved to be very cooperative with our unusual schedules and requests, and because of this — we thank them. For allowing us the use of their rooms and typewriters, we would like to thank Mrs. Greene and Mrs. Vera Thompson.

But most of all, our deepest appreciation goes to our caring and terrific advisor, Mrs. Barbara Robinson. It was she who guided us successfully through the panic of deadlines along with other numerous problems. It was through her deep care and understanding that the 1984 ITAKHA proved successful.

Alma Mater

Morristown East High,
How we love thee!
Alma Mater, hail!
Orange and black wave
High above thee
Through the storm and gale!

Long thy sons have
Sung thy praises
And thy name adore.
How our hearts its
Jubal raises,
M. H. E. forever more!
